

Background

In accordance with Section 3 (1) (i) of the Students' Union *Equity, Diversity and Inclusion Advocacy Policy*, the Equity, Diversity and Inclusion (EDI) Task Force serves to identify specific EDI needs of undergraduate students and potential courses of action by the SU to improve services and programs. The Task Force is an ad hoc sub-committee of the 78th Students' Legislative Council, struck to complete the specific purpose identified in the EDI Advocacy Policy.

It is the intention of the SU that the EDI Task Force will provide opportunities for undergraduate students from traditionally marginalized identities to speak, share their lived experiences, and research important information that will enable the SU to improve our campus culture, programs, and services. **The Task Force will work on various research throughout the year to produce a final report featuring recommendations that will be presented to SLC in April 2022.**

Meetings will be taking place on the first Thursday of every month from 4.00-5.30pm for the fall semester starting on October 7th. Please ensure that you are free during this time.
