

SU Campus Food Bank Adopt-A-Student Family

Information for Families:

IMPORTANT: Please note that the program is limited to U of C student families with children (18 and under) ONLY. **Please do not apply if you do not have children or if your children are over 18.**

In order to apply for the gift hamper for your children you need to fill out an application. The application consists of two parts:

- The first part contains your personal contact information. This part will be kept on file by the SU Campus Food Bank and will never be shared with sponsors.
- The second part asks you to provide some information about your children (hobbies, interests etc.) and any gifts ideas or wishes they may have. Please use only first names on this sheet, as it will be forwarded to your sponsor.

Submit your completed application to the SU Campus Food Bank by email foodbank@ucalgary.ca. With your application, please scan your Campus ID card and a piece of ID for each of your children.

APPLICATION DEADLINE IS FRIDAY NOVEMBER 19, 2021, at 4:00 p.m.

- No late applications will be accepted.
- Families will be matched with sponsors within one week of the application deadline.

Once your family is matched with a sponsor, you will be assigned a student family number. You must confirm via email with the SU Campus Food Bank that you still wish to participate in the program at this time.

Once your sponsor drops off all your packages, you will be contacted to come and pick them up between December 6th and December 9th, 2021, between the hours of 9:30 AM – 3:30 PM.

Due to limited resources, the Adopt-a-Family program cannot provide transportation for the pick-up of packages, or pick-up appointments on weekends.

Please quote your student family number at the time of pick-up and bring a completed thank you card for your sponsor so that we can pass it on for you.

In January, you will be contacted by the SU Campus Food Bank and asked for feedback regarding your experience with this program.

In light of COVID-19, additional precautions are being taken place by sponsor families as well as the SU Campus Food Bank to ensure your maximum safety.
